

# LIFE Group Study Guide

Please take the time to look over the notes and passages before coming to your LIFE group this week. There are some tools online: [www.nbchurchcf.org](http://www.nbchurchcf.org) (under "Resources"). Also, use your "Finding Your Fit" workbook to help you discover and track your S.H.A.P.E.

1. Take time to prayerfully complete **pages 20-23** in your "Finding Your Fit" workbook. Once completed, record your findings on **page 7** of your S.H.A.P.E. Ministry Profile. What have you learned about your personality?

2. Read **Acts 9:1-22 & Galatians 1:13-17**  
How do these verses give us a picture of Paul's personality? How did God shape his personality? How was Paul's personality used for God's glory?

How does God change / transform us for His service without changing the core of who we are? When you have a relationship with God through Jesus, what changes does God make in your life? How are you transformed? How are you transformed over time?

3. Read **1 Corinthians 1:10**  
What does Paul say about the importance of unity in the church? How can different personalities put stress on unity? Why is it important to understand differing personalities, giftedness, heart, etc. in the church? How can we celebrate the differences and leverage them from God's glory?

4. What implications of personality are there for your: Career, Marriage, Family, Ministry?

*If you're not currently in a LIFE group, use the "Church Center" app to get more information and sign-up to join one today!*
