

LIFE Group Study Guide

Please take the time to look over the notes and passages before coming to your LIFE group this week. There are some tools online: www.nbchurchcf.org (under "Resources"). Also, use your "Finding Your Fit" workbook to help you discover and track your S.H.A.P.E.

1. What have you learned so far about yourself in this SHAPE series?

2. When you think about Spiritual Gifts, do you have an idea of how God has gifted you? If so, what do you think are your gifts? If not, what can you do about that?

3. Read **1 Corinthians 12:4-11**

What gifts do you see mentioned by Paul? What things are mentioned in relation to Spiritual Gifts and the church? What do these gifts look like in our lives? *Take a look at the "Appendix 2" on page 28 in your workbook for the descriptions of Spiritual Gifts.*

How should our gifts be used within the Body (the church)? What is your reaction to the statement: "our gifts are from God and they're for others"? Why is this important to remember?

4. Read **Romans 12:9-21**

Paul mentions Spiritual Gifts in Romans 12 as well, and on top of our gifts, he mentions things that should characterize our lives as Christ followers. What are they? Why is it important that we walk in these as the church?

5. How will knowing your "S" help us be better followers of Christ? How can we discover our "S" and put it into practice? How can this group help?

If you are not currently in a LIFE group, use the "Church Center" app to get more information and sign-up to join one today!
