

LIFE Group Study Guide

1. When you hear the word "heaven" - what comes to mind? How much of what you believe about Heaven is from others, teachings handed down, TV & movies, etc. and how much is from the Bible? What are some teachings you have believed about Heaven that you have since discovered are not Biblical and not true?

2. Read [Revelation 4](#)

What we see here is a picture of what present Heaven looks like - what do you see?

3. Read [Genesis 2 & Revelation 21 & 22](#)

The culmination of history seems to bring us right back to the beginning of time in some ways. What similarities do you see? What differences?

What significance is there that there is no temple? What about night being no more?

What do you see about what will not be there? (ref. 21:4, 8, 27; 22:3)

4. We need to be Christ-followers who are so Heavenly minded that we will do whatever it takes to bring people to Jesus. How does having more of an understanding of Heaven and eternity cause you to have more of a sense of urgency for others to know about Jesus?

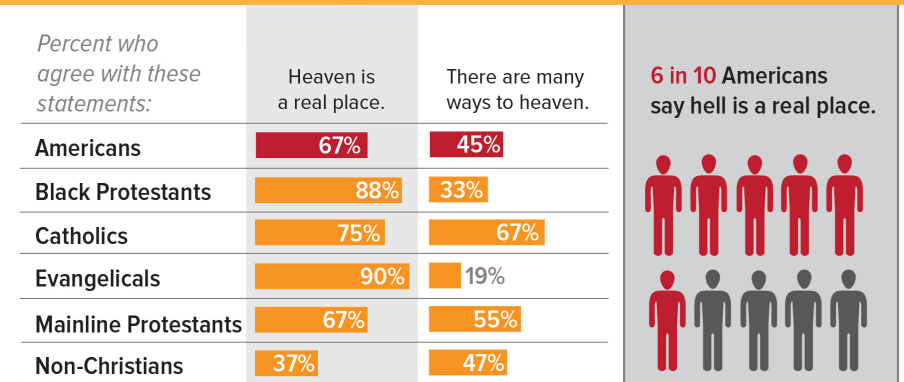

What is one action step you will take this week as a result of this study?
