

LIFE Group Study Guide

1. When you hear the word “Hell” - what comes to mind? How much of what you believe about Hell is from others, teachings handed down, TV & movies, etc. and how much is from the Bible? What are some teachings you have believed about Hell that you have since discovered are not Biblical and not true?

2. Both last week and this week, we looked a lot at what it means to be in the Kingdom of God; what it means to have a relationship with God. If someone were to ask you how they can have a relationship with God, what would you say? What verses would you use to share that?

3. Read [Revelation 20:7-15](#)

Often we see Satan portrayed as the “king” of Hell. What kind of picture do you see about the reality of Satan’s future? How can this affect our spiritual lives right now?

What do you see about the ultimate end of Satan and people who do not believe in Jesus? Is it “fair” that Jesus would judge people in this manner? Explain with Scripture why or why not.

4. How does having more of an understanding of the reality of eternal punishment cause you to have more of a sense of urgency for others to know about Jesus?

What is one action step you will take this week as a result of this study?

A definition of Hell: a place of eternal, conscious punishment for the wicked.
