

LIFE Group Study Guide

1. Spiritual warfare is a reality in our lives. What evidence have you seen in the physical realm that there is a battle going on in the spiritual realm?

2. When it comes to spiritual warfare, why is prayer so important? What do the following verses have to say about prayer? How would you apply them to spiritual warfare? What others might you add?

:: [Philippians 4:6-7](#)

:: [1 Thessalonians 5:16-18](#)

:: [Colossians 4:2](#)

:: [Hebrews 4:16](#)

3. Read [Ephesians 6:10-18](#). Discuss how you can practically live this passage out. In other words, how does a Christ follower win the spiritual battle everyday? Why should we desire to win the battle? If we are “winning”, what does that look like?

4. Is it possible to be successful in battle apart from God? What verses can you point to that would say this? In what ways do we tend to try to fight the battle on our own? Why is this a bad idea?

5. Of the four UP statements, which one do you need to focus on this week? What practical things can you do that will help you take steps to be transformed in this area this week?
