

1. Discuss a recalculating season in your life. How do you handle those times when plans change in your life? When you were walking through this kind of time, what were you thinking? What did you do? How did it affect your relationship with God? What has been the result?
2. As we begin this series, Pastor Joe challenged us to trust God when it's not easy to trust God because He's in control. How have you struggled with reality of God's control verses the illusion of your control?

3. Read **James 4:13-16**.
What kind of heart does the person have who makes plans with no regards to the Lord? What does James have to say? What does Jesus have to say about someone like this? (Ref. **Luke 12:13-21**).

How does this speak to the illusion we have that we are in control of things?
How does this play into difficulties in life when plans change?

4. Trusting God begins in these three things. Look up the verses and discuss what each looks like and how you can apply to your life.
