

1. In today's message we focused on finishing well and what really matters. How much have you thought about the legacy you're leaving and finishing well in life? What comes to mind when you think about finishing well? How do you feel that you are doing?

2. Read **2 Timothy 4:1-8**.

What impact do these words have knowing that Paul is facing certain death in the very near future? When it came to the end of his life, what do you hear Paul say are the most important things?

In the message Sunday, we looked at the importance of (1) traveling on the right road, (2) following the right map and (3) heading in the right direction. Where do you see yourself in this journey? Have you gotten on the right road (trusting Jesus as Savior)? Are you, regularly, following the right map (reading, studying and, by God's power, living) what the Bible says? Are you following/obeying Jesus as Lord? Which do you struggle with? Easier for you?

3. Read **Matthew 22:37-40** & **Matthew 28:19-20**

As a church, we believe that what's most important is that we (together): love God, love people and make disciples. How do you see these things embodied in the words from Paul to Timothy in 2 Timothy 4?

LOVE GOD

(How do you see love for God expressed by Paul in these words to Timothy?)

LOVE PEOPLE

(How do you see Paul's love for Timothy? For others?)

MAKE DISCIPLES

(In what ways do you see Paul helping his disciple, make disciples?)

4. Looking back at this Recalculating Series, what has been impactful for you? What has God done in / through you in the process?
