

1. Have you ever given much thought to your worldview? Before Sunday, what would you have said informs & shapes your worldview? Has that answer changed since Sunday?

2. Read **Matthew 7:24-29**

Jesus is a masterful teacher. He simple simple stories to teach profound truths. Compare and contrast the two different builders. What practical, real-life applications can you draw? Why is this a fitting way to conclude the Sermon on the Mount?

How does a person build their lives on the rock? What practical actions can be taken? Take the time to discuss each, and how this can be done in your life.

3. How does the brand of Christianity you have seen (possibly experienced) in America fall short of what Jesus teaches in **Matthew 5-7**? Compare and contrast "American Christianity" with "Biblical Christianity." How do we walk in Biblical Christianity for God's glory?

4. Have you ever been amazed by the teachings of Jesus (and the Bible)? Share a time or a particular passage that had a huge impact for you.

5. Now that we've come to an end of the Sermon on the Mount - take time to share some high points of application for you. What has God taught you? How is God transforming your life as a result? How has your thinking changed?
