

1. What is your favorite on-going meal or most memorable meal you've had? What make it significant? Have you given much thought to the significance of meals and eating together?

2. Read Exodus 24.

There are four distinct movements in this chapter. Where do you see: (1) a call to worship, (3) reading of God's Word, (3) confession of faith and a commitment to obedience, (4) sharing of a holy meal? How do all of these parts play into the confirmation of the Covenant with the LORD?

How does Moses act as a Christ-figure? (compare 1 Timothy 2:5 for example)

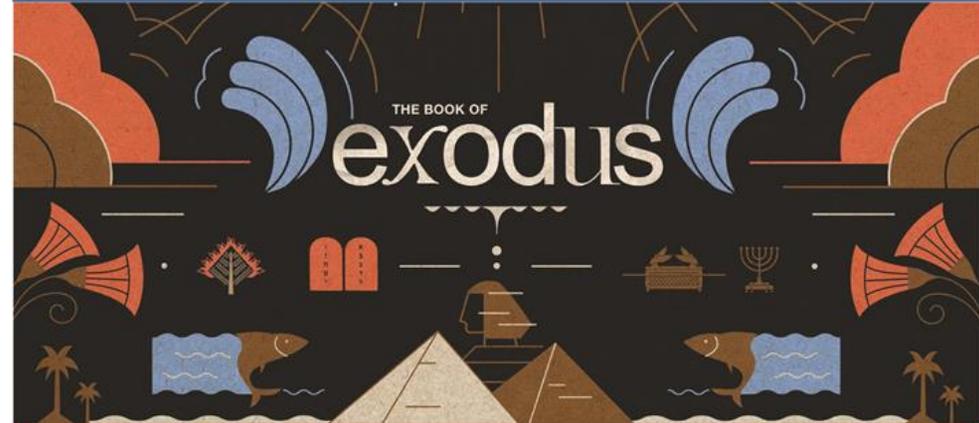

What was the significance of the 74 people seeing the LORD? Why did they not die? (See Exodus 33:20)

What was the significance of eating a meal with the LORD?

3. What is your understanding of the Marriage Supper of the Lamb (Revelation 19)? Why is this meal significant?

4. Communion is the meal that we share as believers as we look back to what Christ has done, and look forward to the shared meal one day. What has been your view of Communion? Has it changed as you looked at it more? How will Communion be more of an act of worship going forward?

5. Ultimately, you need to leverage your table for the good of others and the glory of God. How can you do this, literally? What would it look like? Who is God putting on your heart to connect with? How can you do this, figuratively speaking? What do you need to do in order to take a risk and welcome people in?
