

1. What sticks out to you about the Tabernacle? What comes to mind? Is it something you think is relevant to us today?
2. Read Exodus 25:8-9. What is the purpose of the Tabernacle? Why is this important? How is this similar to other times God has dwelled among people? How is it different?  
For example, Genesis 3:8, John 1:14
3. Review each of the elements of the Tabernacle (Ark, Table with Bread, Lampstand, Altar, Structure). What do they show about God? How do they point to Jesus? How do they enlighten our relationship with God?
4. Read Hebrews 9:1-15. How does Jesus and what He did relate to the Tabernacle? What is similar? What is different? What is your response to this?
5. Read or skim through Exodus 25 - 31. Reflect upon the amount of detail presented here. Why do you think so much detail is given about the Tabernacle? What does this reveal about God?
6. The Tabernacle is one of many physical structures and activities that God directs His people to build or do. What are other ones? (e.g., Communion, Temple) How do these things point us to God? How can we use them today to help us grow in our faith?
7. The passages about the tabernacle at first glance may seem to just be out how to build a structure but, hopefully, you have seen it has much deeper meaning and impact. How can you apply this to your life and week ahead?
