

Connecting Together

1. Why do you think it's easier to start something than to stay consistent with it?
2. Have you ever drifted from something important without realizing it at first? What happened?

Connecting to the Passage

1. Read **Joshua 23:3** and **23:14**.
Why do you think Joshua begins by reminding the people of God's faithfulness? What stands out to you about the statement: "Not one promise failed"?
2. Read **Joshua 23:6–13**.
What warnings does Joshua give the people?
Why do you think compromise and idols were such a danger for Israel?
3. Read **Joshua 24:14–15**.
What do you think Joshua means by "**Choose this day whom you will serve**"? Why is spiritual clarity important in following God?
4. Read **Joshua 24:24–27**.
Why do you think Joshua sets up a visible reminder for the people?
What do memorials/reminders teach us about human nature and faithfulness?

Connecting to Application

1. Where are you most tempted to drift spiritually right now?
2. What are some modern-day "idols" people tend to tolerate or normalize?
3. What practical habits or rhythms help keep your heart close to God?
4. Which of these decisions do you most need to make right now? (Decide what needs to go, Decide what faithfulness looks like, Decide what needs reinforced)
5. What specific step could help you intentionally choose faithfulness this week?
6. What reminder of God's faithfulness do you need to revisit to strengthen your trust today?
7. Who in your life helps reinforce your devotion to Jesus and encourages your faithfulness?
